

# Minor in Geology

---

## Program Requirements

A minor in geology consists of at least 15 credit hours of geology including:

Course	Title	Hours
GEOL 102	Earth Science and the Environment (with lab)	4
or GEOL 111	General Geology	
Select at least 11 additional credit hours in GEOL		11
<b>Total Credit Hours</b>		<b>15</b>

It is suggested that students minoring in geology consult with the department in selecting courses that would be most appropriate to their major field of study.
