Overview

The College of Innovation and Design is home to the first face-to-face master's degree focused on innovation in the United States. Along with the Master's of Innovation Design, our college offers a blockchain certificate, design thinking certificate, interdisciplinary leadership certificate, and a minor in sustainability.

Our college works closely with industry partners to provide more for our students in and outside of the classroom. We provide the opportunity for relationships with our industry partners through workshops, design challenges and unique student travel experiences. Read more about the program by visiting the College of Innovation and Design webpage (https://wichita.edu/cid/)[1].

Probation and Dismissal

The College of Innovation and Design adheres to current WSU Probation and Dismissal policies found in the Academic Probation and Dismissal (http://catalog.wichita.edu/undergraduate/academic-information/academic-progress/probation-dismissal-withdrawal-etc/) section of the Undergraduate Catalog.
