

Nondegree Program in Social Work

Nondegree Students

Persons who already possess a graduate degree, who do not want to seek an additional graduate degree at this time, or who wish to take graduate courses for professional advancement or personal satisfaction must apply for nondegree admission with the Wichita State University Graduate School. Students wishing to enroll in select graduate social work courses in a nondegree category may do so on a space available basis. Under such nondegree admission, students may take up to a maximum of 12 credit hours of MSW graduate credit in only the following specified foundation level courses including:

Course	Title	Hours
SCWK 710	Micro Human Behavior and the Social Environment	3
SCWK 712	Macro Human Behavior and the Social Environment	3
SCWK 717	Policy I: Social Welfare and Analysis	3
SCWK 751	Fundamentals of Social Work Research	3
700-level MSW graduate electives when offered		
Total Credit Hours		12

Students wishing to seek full admission to the MSW program must follow the normal admission procedures for both the Graduate School and the School of Social Work. Enrolling and successfully completing any or all of the above specified courses as a nondegree student does not automatically guarantee full admission to the MSW program.

A maximum of only 12 credit hours taken prior to acceptance and full admission to the MSW program may be applied toward the MSW degree. Only students fully admitted into the MSW program may enroll in practice and field practicum courses.
