

MME - Instrumental Conducting Concentration

Admission

Admission to the degree program in music education requires the completion of a Bachelor of Music Education (BME) degree, or the equivalent of a BME, from an accredited institution, as well as the contact information for three people to provide letters of recommendation. Students holding bachelor's degrees in music other than the Bachelor of Music Education must satisfy public school certification requirements to qualify for full admission. Applicants without such certification are admitted on a conditional basis pending their attainment of public school teaching credentials. Approval of the MME specialization must be acquired.

Program Requirements

MME programs range from 32 to 36 credit hours. Core requirements and terminal project options — outlined below — are the same for each emphasis area unless specifically noted.

Course	Title	Hours
Required Core		15
MUSE 853	Research Design and Methods

MUSE 844	Terminal Conducting Project	2
Total Credit Hours		17

¹ Graduate Recital is not a terminal project option for the music in special education concentration.

² Recital is the required terminal project for the instrumental conducting concentration.

Applied Learning

Students in the Masters of Music Education - instrumental conducting concentration are required to complete an applied learning or research experience to graduate from the program. The requirement can be met by completing either Research Design and Methods (MUSE 853), a conducting recital (MUSE 844), terminal project (MUSE 854), thesis (MUSE 876) or performance recital (MUSP 873).
