MA in Aging Studies - Public Health

Admission

1. Admission to the Graduate School at Wichita State University;
2. A grade point average of 2.750 (4.000 system); and
3. International applicants must have a score higher than 79 on the Internet-based TOEFL examination, an overall minimum band score of 6.5 on the IELTS examination, or a score of 58 on the PTE-Academic examination.

Additional supporting documents:

1. Contact information for two professional references;
2. A one-page personal statement reflective of their desire for admittance to the aging studies program; and
3. Documentation of computer literacy including word processing, email, file attachments and Internet searches within the personal statement. Students are highly encouraged to review the information found on the Wichita State Office of Online Learning website, paying particular attention to the Introduction to Online Learning, and Computer Skills and Preparation information.

To be reviewed for admission, applicants should submit the designated application for admission, supporting transcripts and additional supporting documents to the Graduate School via the online CollegeNet Application Portal.

The priority application deadlines are: July 15 for fall admission; December 1 for spring admission; April 15 for summer admission. Applications are reviewed when the application and supporting documents are received by the program director. Applicants will be notified of their admission status by the Graduate School. Upon enrollment, he or she will be assessed a $50 nonrefundable acceptance fee. For additional details, please see the program website (http://wichita.edu/agingstudies).
