

# Certificate in Agile Product Management

---

## Admission

Students may be admitted to the program following:

1. A bachelor's degree from a regionally accredited institution; and
2. A grade point average of at least 2.750 based upon the last 60 credit hours of coursework (or nearest semester or term break to this), including any post bachelor's graduate work. Students who do not meet the 2.750 grade point average requirement may be admitted to this category on probation if reasonable evidence exists to indicate their ability to perform satisfactorily in 500-level or above coursework.

## Program Requirements

Students must complete 12 credit hours for the certificate in agile product management. In addition to these requirements, students must meet the Graduate School's requirements (<http://catalog.wichita.edu/graduate/academic-information/types-programs-courses/certificates-graduate-programs/>) in order to earn this certificate.
