

# MA in Applied Economics

## Admission

1. Applicants must have earned a four-year undergraduate degree from a regionally accredited institution or a recognized institution in another country whose requirements for the bachelor's degree are substantially equivalent to an American four-year bachelor's degree.
2. Admission to the program is based primarily on the applicant's grade point average (GPA) and background in economics.
3. For admission to full standing, applicants must have a GPA of at least 2.750 on a 4.000 scale overall and for all courses in economics and required mathematics.
4. Applicants must have completed principles of macro- and microeconomics, plus one course in statistics and one in calculus. Additionally, students must have completed (or complete within one year of admission) intermediate level macro- and microeconomics. (An approved course in money and banking may be substituted for intermediate macroeconomics.) A minimum grade of C+ (2.300 grade points) is required for the two intermediate level classes as well as statistics and calculus.
5. The Graduate Record Examination (GRE) is *not* required.
6. Non-native speakers of English must have received a minimum score of 550 on the paper-based, or 79 on the Internet-based Test of English as a Foreign Language (TOEFL), or a minimum overall band score of 6.5 on the IELTS, or have a score of 58 on the PTE-Academic, or have attended another U.S. university as a full-time student enrolled in academic courses for a minimum of one year, or have earned a bachelor's degree (or higher) from a U.S. university within two years of their proposed semester of admission.
