

MACC - Master of Accountancy: Taxation Concentration

Full admission to the MACC professional curriculum requires:

1. An undergraduate degree in accounting, or the functional equivalent of an undergraduate degree in accounting from an AACSB-accredited institution.
2. An overall grade point average (GPA) of 3.200 on a 4.000 scale.
3. A grade of B (3.000) or better in all undergraduate accounting courses.

Applicants not meeting these criteria will be required to take the GMAT and obtain a satisfactory score. A satisfactory GMAT score is considered to be in the 25th percentile or higher for each section and for the overall score.

International applicants may have to complete significant additional foundational coursework beyond what may appear on a student’s transcript. This can include, but is not limited to, (re)taking business law, financial accounting, taxation, accounting information systems and auditing courses at Wichita State University.

Program Requirements

Total degree requirements will vary and depend upon the specific course content of the undergraduate degree program. At a minimum, the candidate’s program must total 30 graduate-level credit hours beyond the bachelor’s degree, including 15 credit hours of accounting courses numbered 800 or above and a total of 21 credit hours in courses numbered 800 or above.¹

In general, an undergraduate degree in business and an accounting major, equivalent to that offered at WSU is presumed. The following courses, or their graduate equivalents, must be included as part of the MACC degree program if not covered in the student’s bachelor’s degree:

Undergraduate Accounting/Business Curriculum

Course	Title	Hours
ACCT 210	Financial Accounting	3
ACCT 220	Managerial Accounting	3
ACCT 310	Financial Accounting and Reporting: Assets	3
ACCT 360	Accounting Information Systems	3
