MBA - Health Care Administration Concentration

Admission

Admission to the MBA program is granted to students who show high promise of success in postgraduate business study and who hold bachelor's degrees from regionally accredited institutions.

Previous academic training in business is not required for admission to the MBA program. Students may have backgrounds in such diverse fields as engineering, liberal arts, education and health related areas. The specific content of a student's previous education is less important than the evidence that the student has sound scholarship, strong personal motivation, and the ability to develop the skills necessary to assume positions of leadership.

Admission decisions are based on the following:

- Graduate Management Admission Test/Graduate Record
 Examination (GMAT/GRE) scores overall score and component
 (i.e., verbal, quantitative and analytical writing) scores are
 evaluated. The GMAT/GRE must have been taken within the last
 six years;
- 2. Personal Goals essay that clearly articulates the applicant's reasons for seeking admission (500 words maximum);
- 3. Two reference forms completed by faculty, employer or suitable referee;
- 4. Current resume (career-based work experience is desirable but not required); and
- 5. International students are required to have a minimum score of 570 (paper-based), or 88 (internet-based) on the Test of English as a Foreign Language, or an overall band score of 7.0 on the IELTS, or a score of 65 on the PTE-Academic.

Final admission of qualified applicants may be based on space available in the MBA program.

Applications for degree admission are reviewed twice a year, in the fall and spring. Deadlines for submitting applications to the Graduate School are July 1 for consideration for fall admission and December 1 for spring admission. International applicants living outside the United States must submit their applications by April 1 for fall admission consideration and August 1 for spring admission consideration. Applicants who apply after these deadlines are considered in the order in which their completed application materials are received.

- ¹ GMAT exceptions:
 - Three years or more of managerial work experience, evaluated by the Office of Graduate Studies in Business; or
 - WSU graduate with a GPA of 3.500 or higher in the last 60 credit hours; or
 - Business degree from an AACSB accredited school and a GPA of 3.500 or higher in the last 60 credit hours; or
 - A U.S. master's degree or equivalent.

Advanced Standing

Students with strong backgrounds in business administration may be granted advanced standing in the MBA program through equivalent credit for background preparatory courses for which a minimum grade of *C* was received in an undergraduate or graduate program. Most

students entitled to such credit hold bachelor's degrees in business administration from accredited institutions.

Students may be granted equivalent credit for any or all of the preparatory courses, depending on the depth of their undergraduate or previous graduate preparation. The MBA program may consist of as few as 36 credit hours for students who have no deficiencies in prerequisites and who receive equivalent credit for all of the background fundamentals.

Students Not Receiving Advanced Standing

Students with bachelor's degrees in nonbusiness fields usually will not have backgrounds warranting the granting of advanced standing through equivalency credit. There are some exceptions. Some students, for example, may have had enough coursework in economics or statistics to be granted credit for these courses. Determination regarding equivalency credit will be made following admission to the program. A minimum grade of *C* (2.000) or better is required for the prerequisites MATH 144 and ECON 231.

MBA Course Prerequisites

| 1-IDIT COUISC I ICICQUISICES | | |
|----------------------------------|--------------------------------------|-------|
| Course | Title | Hours |
| Prerequisites ¹ | | |
| MATH 144 | Business Calculus | |

MBA – Health Care Administration

The health care administration concentration offers the opportunity to study business administration at the graduate level with particular emphasis on health care management. Building on the MBA curriculum, this concentration provides understanding and knowledge of the issues facing organizations in the health services industry. The specialized knowledge will help students cope with managerial processes in the dynamic health care industry.

The following is a list of the required courses in common with the general MBA degree:

| Course | Title | Hours |
|--------------------------------------|--|-------|
| Required Courses for All MBA Degrees | | |
| MKT 803 | Marketing Research (taken within first two semesters of admission) | 3 |
| or MGMT 803 | Business Decision Making and Ana | lysis |
| BLAW 810 | Law and Ethics for Business | 3 |
| FIN 850 | Managerial Finance | 3 |
| MGMT 862 | Organizational Behavior | 3 |
| MGMT 885 | Advanced Strategic Management (taken during last semester) | 3 |

With approval of the program director, equivalent credit may be granted for courses of equal content taken in an undergraduate or graduate program. See Advanced Standing section above.

Required for the Concentration

| ACCT 801 | Managerial Accounting | 3 |
|---------------------------|---|----|
| MKT 801 | Marketing Management | 3 |
| DS 850 | Operations Management | 3 |
| MIS 874 | Management Information Systems | 3 |
| PHS 812 | Healthcare Policy and Administration | 3 |
| PHS 814 | Social and Behavioral Aspects of Public Health | 3 |
| PHS 833 | Healthcare Economics | 3 |
| Total Credit Hours | | 36 |

Applied Learning

Students in the MBA program are required to complete an applied learning or research experience to graduate from the program. The requirement can be met by completing two core graduate courses: MKT 803/ MGMT 803 and MIS 874. These courses provide opportunities to gain applied learning experiences through projects.
