School of Accountancy, 316-978-3215 — Christine Porter, *director*; Michael Flores, *graduate program director*

Mission

The Barton School prepares students for lifelong learning and success in the global marketplace, advances the knowledge and practice of business, and supports economic growth through research, outreach and knowledge transfer.

Vision

The Barton School strives to be internationally recognized as a model of research, knowledge transfer and applied business learning.

Core Values

- Being student centered and business driven
- Fostering integrity and intellectual curiosity
- Celebrating the development of critical thinking, innovation and an entrepreneurial mindset
- Honoring diversity of culture, thought and experience

Graduate degree programs in the school lead to the Master of Business Administration (MBA), Executive Master of Business Administration (EMBA), Master of Accountancy (MACC), Master of Arts (MA) in economics and quantitative analysis, Master of Science (MS) in management science and supply chain management, Master of Science (MS) in business analytics, and Master of Human Resource Management (MHRM). The Barton School also offers six certificates: business analytics, business fundamentals, advanced business fundamentals, human resource management decision making, human resource management skills, and supply chain management.
