Mission

The Barton School prepares students for lifelong learning and success in the global marketplace, advances the knowledge and practice of business, and supports economic growth through research, outreach and knowledge transfer.

Vision

The Barton School strives to be internationally recognized as a model of research, knowledge transfer, and applied business learning.

Core Values

• Being student centered and business driven
• Fostering integrity and intellectual curiosity
• Celebrating the development of critical thinking, innovation, and an entrepreneurial mindset
• Honoring diversity of culture, thought, and experience

Graduate degree programs in the school lead to the Master of Business Administration (MBA), Executive Master of Business Administration (EMBA), Master of Accountancy (MACC), and the Master of Arts (MA) in applied economics, Master of Science (MS) in management science and supply chain management, and Master of Human Resource Management. The Barton School also offers five Certificates: enterprise systems and supply chain management, entrepreneurship and innovation, business analytics, human resource management decision making, and human resource management skills.
