

Certificate in Data and Web Security

Admission

Students seeking this certificate must be admitted to the university, or in a nondegree status. All university policies relative to admission apply. Students pursuing an undergraduate certificate must file a plan of study for the certificate program with the undergraduate coordinator before half of the required credit hours are completed. Students may apply certificate coursework toward a degree program.

Program Requirements

The certificate requires the completion of 15 credit hours from a selected list of courses. A cumulative grade point average of at least 2.000 must be maintained for all courses comprising the certificate program and no grades below C-.

Course	Title	Hours
Required Courses		
BADM 161	Business Software: Word	1
BADM 162	Business Software: Excel	1
BADM 163	Business Software: Access and PowerPoint	1
MIS 605	Systems Analysis and Design	3
MIS 696	Management of the IS Function	3
ENGT 463	Cyber Risk Management	3
ENGT 464	Web Application Security	3
Total Credit Hours		15

Students completing the certificate program receive an appropriately-worded certificate from the university and a notation is made on the student's transcript when the certificate has been awarded.
