**BS in Mathematics**

For the Bachelor of Science (BS) degree in mathematics:

- Complete all courses in Group R 1  
  15
- Select one course each in Groups A, B and C 1  
  9
- Select two additional courses from Groups B and/or C. MATH 451 is recommended  
  6

**Total Credit Hours**  
30

1 A list of courses in each group can be found at the beginning of the Mathematics section (http://catalog.wichita.edu/undergraduate/fairmount-liberal-arts-sciences/mathematics-statistics-physics/mathematics).

All bachelor’s degrees in mathematics require a high-level algorithmic computer language. The MATLAB course, MATH 451, is strongly recommended.

For students who are contemplating graduate work, it is highly recommended that they include MATH 513, MATH 547 and MATH 640 in their program, along with courses in one or more of French, German or Russian.
