<i>Accelerated Bachelor's to Master's in Aging Studies Courses</i> ²		
500+ level PHS Aging Studies courses		
Total Credit Hours		12

¹ Required.

² For students admitted to the Aging Studies Accelerated program (<http://catalog.wichita.edu/undergraduate/health-professions/health-sciences/public-health-sciences/accelerated-bachelors-degree-master-aging-studies/>), up to 9 credit hours of graduate level aging studies coursework (500+) can count for dual credit towards the Master of Arts in aging studies (<http://catalog.wichita.edu/graduate/health-professions/health-sciences/public-health-sciences/ma-in-aging-studies-age/>). Students should consult with their undergraduate advisor and the aging studies graduate advisor to select the 9 credit hours.

Please note: If planning to enter the MA in aging studies program, courses taken for undergraduate credit cannot be applied to or retaken for graduate credit. Please speak with your undergraduate adviser and an aging studies graduate advisor when choosing classes.
