Military and Veteran Services

Wichita State is proud to be committed to helping veterans, active service members, dependents and spouses receiving military benefits make the successful transition into WSU's academic community. An overview of resources can be found at the military student services website (<http://wichita.edu/military/>)¹.

In the capacity of serving active duty military and veterans, the Office of Online and Adult Learning serves as the point of contact (POC) for inquiries pursuant to the Department of Defense Memorandum of Understanding. Yellow Ribbon Program

WSU has joined the Yellow Ribbon Program, an initiative of the Department of Veteran Affairs through which WSU and the VA share in the cost of the difference between in-state and out-of-state tuition. This program will make it more affordable for a larger number of out-of-state students with military backgrounds to attend WSU.

TRIO Programs

TRIO is a set of federally-funded college opportunity programs that motivate and support students from disadvantaged backgrounds in their pursuit of a college degree. Over 850,000 low-income, first-generation students and students with disabilities — from sixth grade through college graduation — are served by more than 2,800 programs nationally. TRIO programs provide academic tutoring, personal counseling, mentoring, financial guidance, and other supports necessary for educational access and retention. TRIO programs provide direct support services for students, and relevant training for directors and staff.

Services provided by TRIO DSS include individualized academic tutoring, advice and assistance in postsecondary course selection and degree planning, assistance with graduate and professional program applications, and career exploration in in-demand industry sectors or occupations and referral. TRIO DSS assists students with information about financial aid programs and scholarship opportunities, provides assistance in completing financial aid applications, and offers education or counseling services designed to improve financial/economic literacy or other skills aimed at building personal financial understanding and responsibility.
