Admission Requirements

Specific admission requirements for each degree specialization are described in each department's section of the Graduate Catalog. Applicants for admission should review admission criteria well in advance of intended enrollment dates to allow sufficient time for the admission process to be completed. Several programs require

submission of scores from examinations (e.g., Graduate Record Examination), as well as transcripts and letters of reference.

Minimum admission requirements for full standing include a bachelor's degree from a regionally accredited institution and a grade point average of at least 2.750 (including any postbachelor's graduate work). The student should have no more than 9 credit hours of background deficiencies in the major field of graduate study desired. For most College of Education degree programs, admission requirements exceed these minimums.

Graduate Level Licensure

Graduate offerings include courses which help prepare students to meet application requirements for state licensure as principals, district school administrators, school counselors, professional counselors, early childhood teachers, English as a second language/bilingual education teachers, special education teachers, reading specialists and school psychologists.

Initial Teacher Licensure

Opportunities exist for both undergraduates and degree/nondegree graduate students to pursue initial licensure as a teacher (PreK–12 schools) through Wichita State University. Interested individuals should contact the advising office in the College of Education, 316-978-3300, or visit the undergraduate majors and minors webpage (<https://wichita.edu/majors/>) to inquire about teacher education as a graduate student.

Professional Development

Other courses are available to support the continued academic and professional development of educators. Graduate offerings also are available to support careers in sport management.
