

Certificate in Organizational Leadership

Admission

Students seeking graduate certificates must be admitted to the Graduate School in a degree program or in nondegree status. All Graduate School policies relative to admission criteria apply. To be considered for admission to the program, applicants must meet the following:

1. A bachelor's degree from a regionally accredited institution or its overseas equivalent; and
2. A grade point average of at least 2.750 based upon the last 60 credit hours of coursework (or nearest semester or term break to this). Students who do not meet the 2.750 grade point average requirement may be admitted to this category on probation if reasonable evidence exists to indicate their ability to perform satisfactorily in graduate coursework.

Current graduate students of WSU should complete the declaration of intent to pursue a graduate certificate form (https://www.wichita.edu/academics/graduate_school/grad_certificate_declaration_form.php) through the Graduate School website.
