University Locations

WSU Main Campus

Wichita State's main campus is located on a 330-acre site bounded by Hillside, Oliver, 17th and 21st streets in northeast Wichita. The campus is modern and accessible and at the same time retains the flavor of the university's heritage, combining distinctive Georgian-style architecture with more modern buildings of stone and brick that are accentuated by attractive landscaping. Wichita State continues to grow. In the past ten years, Wichita State's main campus in northeast Wichita has been expanded by 120 acres with the conversion of a golf course to a new Innovation Campus that houses an interconnected community of academic and partnership buildings, applied-learning laboratories and mixed-use areas.

WSU Old Town

WSU Old Town is centrally located in the Old Town district of downtown Wichita. This complex includes office and clinical spaces, as well as classrooms at 213 N Mead. For convenient commuting, WSU Old Town is located near the WSU Main Campus and is easily accessible from K-96 and I-135. A bus route also connects WSU Old Town to the Main Campus. In addition to being within walking distance of many restaurants, WSU Old Town offers free public parking in front of the buildings and nearby parking garages.

This location houses graduate and undergraduate programs/classes including:

- Physical Therapy (PT) (https://www.wichita.edu/academics/health_professions/pt/),
- Physician Associate (PA) (https://www.wichita.edu/academics/health_professions/pa/),
- General education classes; and
- Special market-based tuition classes for high school guest students.

Classrooms, including spacious master classrooms, and clinical training facilities sport the latest teaching and learning technologies for graduate and undergraduate students. WSU Old Town staff provide competent and caring support in the WSU Administrative and PT/PA offices. Security is provided at the building.

WSU Old Town strives to bring higher education to those in the community and to engage them in the experience at an affordable cost. This WSU facility is particularly suitable for working adults in the downtown and surrounding areas to further their college education. State-of-the-art technologies and a comfortable environment make WSU Old Town an ideal location for students to complete their degrees.

WSU South

WSU South is located at 3821 E. Harry Street, Wichita, KS 67218 with WSU Shocker Studios and WSU Tech (Wichita State University Campus of Applied Sciences and Technology) sharing the building space.

The WSU Shocker Studios (http://www.wichita.edu/mediaarts/) is a state-of-the-art professional production facility and consists of over 35,000 square feet of facilities and equipment. It is heavily engaged with industry professionals in the fields of audio production, animation, filmmaking and game design. WSU Tech (https://wsutech.edu/) provides over 100 degree and certificate options designed to meet the workforce needs of Kansas. WSU Tech offers several of WSU Tech's technical programs including interior design, police science, business administration, massage therapy, veterinary technician, emergency medical technician (EMT), and other short-term health programs in the near future. Students can also find transferable general education courses and the Shocker Pathway program.
The Shocker Pathway (https://wsutech.edu/shockerpathway/) is a partnership between WSU Tech and WSU that provides WSU Tech students an affordable, convenient and respected way to earn a two-year Associate of Arts (AA) degree from WSU. These students can also transition to WSU to finish a bachelor's degree.

The WSU South center on Harry Street, with its spacious hallways adorned with artistic murals, has the latest classroom technologies and a comfortable learning environment. There is also a bus shuttle operating between the main campus and WSU South. For the latest updates, please call: 316-978-7774 for WSU Shocker Studios or 316-677-9400 for WSU Tech.
