

BBA - Economics

Program Requirements

A minimum total of 120 credit hours is required for the Bachelor of Business Administration (BBA) in economics. In addition to meeting the requirements of the WSU General Education Program (<http://catalog.wichita.edu/undergraduate/academic-information/general-education-program/>) and the requirements for all BBA programs (<http://catalog.wichita.edu/undergraduate/w-frank-barton-business/bachelor-of-business-administration/>) set by the W. Frank Barton School of Business, candidates for the BBA in economics must satisfy the following requirements of the curricular major:

All majors must contain at least 12 unduplicated credit hours. All minors must contain at least 3 unduplicated credit hours.

Course	Title	Hours
General Education		
Select courses to meet General Education requirements ¹		34-35
College Requirements ²		
Bachelor of Business Administration Core Requirements		27
Advanced Standing Requirements		20
Economics Major		
MATH 144 or MATH 242	Business Calculus Calculus I	3-5
ECON 301	Intermediate Macroeconomics	3
ECON 302	Intermediate Microeconomics	3
<i>Upper-Division Major Electives</i>		
Select 15 credit hours with at least 9 credit hours in economics, another 6 with advisor consent		15
Open Electives		
Select enough electives to reach 120 credit hours		12-15
Total Credit Hours		120

Credit hours in co-op (ECON 481), ECON 400 and ECON 401 may not be used in the economics major.

¹ Required major courses may also count towards General Education requirements. Students will need to select additional electives to reach 120 credit hours required for graduation with assistance from an advisor.

² See the Bachelor of Business Administration (<http://catalog.wichita.edu/undergraduate/w-frank-barton-business/bachelor-of-business-administration/>) page of the catalog for a full explanation of these college requirements.

Applied Learning

Students in the BBA in economics program are required to complete an applied learning or research experience to graduate from this program. The requirement can be met by completing ECON 301 Intermediate Macroeconomics, which includes an applied research project.
